

Lighthouse Educational Adventure Program

Request for Credit

According to Missouri High School Standards, a 1/2 Credit for High School equals approximately 88 hours of work. Therefore, to receive a credit for the Lighthouse Educational Adventure Program, students must participate in a week-end campout and 3 additional LEAP activities. There is planning that goes into each event, and students will be required to help with the planning or preparation that makes each event a success. Student and Parent must also fill out and turn in this form at the end of the year that the events took place. Students may participate in LEAP each year of high school. A maximum of 1 credit will be recorded on the student's transcript. Please know that each LEAP event will have a participation fee.

STUDENT NAME: _____ **GRADE:** _____

Weekend Campout Event Dates: _____

Describe your participation in the campout event below. What did you do? What did you learn?
