

**Lighthouse Preparatory Academy's Leadership Proposal Form  
Request for "Leadership" Credit**

**Read and Sign Before Proceeding**

The purpose of this form is to submit information concerning legitimate service/leadership activities in which I have been involved, in hope of obtaining Leadership Credits that will count towards my progress in the program. I understand I must complete 4 activities, which total 40 hours or more, and submit a separate form for each activity to qualify for Leadership Credit. However, I recognize that the administration may accept or deny my request for credit. There is a nonrefundable fee of \$25 due at the time I submit my forms. I also understand my submissions are due by mid-April of the current year.
