LEAP – Starting in the 2020-21 school year, students who want to get the .5 credit for LEAP activities that year will need to enroll in the "class" in Sycamore and pay a fee of \$150. The fee covers the cost of all of the LEAP activities and campout for that year. Please note that the end-of-the-year trip is not a LEAP activity and is not included in the fee. Other students who do not wish to earn the credit that year can still sign up for individual activities and campout.

Semester Intensive – 1 year of material is covered in one semester. One credit is earned for the semester long course.

Dual Enrollment – Student enrolls in the course through the college. Class is led and graded by the college professor. Lighthouse teacher prepares the students for the college course and acts as a tutor during the college course time. Student earns college credit and high school credit.

Dual Credit – Student enrolls in the course through Lighthouse. Class is taught and graded by the Lighthouse teacher. Student earns college credit and high school credit.

Advanced Placement – AP courses conform to the College Board recommendations for the Advanced Placement subject examinations. Following completion of the course, students may opt to take the Advanced Placement Examination given in mid-May. Successfully completing the course does not guarantee passage of the AP exam nor does it cover the cost of the exam itself.
