| Tuesday/Thursday High School Course Options |   |                              |  |
|---|---|------------------------------|--|
| 8:00-9:25<br>T/Th                           | Current Events and Social Media<br>(first semester) |                              |  |
| 9:30-10:55<br>T/Th                          | AP Literature & Composition                         | ACT Prep<br>(first semester) |  |
| Time<br>TBD                                 | Speech & Debate<br>(first semester)                 |                              |  |

**LEAP** – Students who want to get the .5 credit for LEAP activities next year will need to enroll in the "class" in Sycamore and pay a fee of \$150. The fee covers the cost of all of the LEAP activities and campout for the year. Please note that the end-of-the-year trip is not a LEAP activity and is not included in the fee. Other students who do not wish to earn the credit that year can still sign up and pay for individual activities and campout.

**Semester Intensive** – One year of material is covered in one semester. One credit is earned for the semester long course.

**Dual Enrollment** – Student enrolls in the course through the college. Class is led and graded by the college professor. Lighthouse teacher prepares the students for the college course and acts as a tutor during the college course time. Student earns college credit and high school credit.

**Dual Credit** – Student enrolls in the course through Lighthouse. Class is taught and graded by the Lighthouse teacher. Student earns college credit and high school credit. Enrollment in the college class required to enroll in the HS class.

**Advanced Placement** – AP courses conform to the College Board recommendations for the Advanced Placement subject examinations. Following completion of the course, students may opt to take the Advanced Placement examination given in mid-May. Successfully completing the course does not guarantee passage of the AP exam nor does it cover the cost of the exam itself.

**CLEP** – On their own, students can take the optional CLEP test at the end of various courses. Some colleges will award credit for qualifying scores.

**Eligibility for High School Athletics (Basketball, Cross Country, and Volleyball)** – As we are now a part of MCSAA (Missouri Christian Schools Athletics Association), our athletes who are Juniors or Seniors must obtain at least three credits in core subject areas (Math, Science, Language Arts, Social Studies, and Bible) and also be on track to graduate from Lighthouse. Athletes who are Freshmen and Sophomores are required to obtain at least four credits in core subject areas (Math, Science, Language Arts, Social Studies, and Bible) and also be on track to graduate from Lighthouse. As we learn new information regarding this, we will update you.
