2021-2022 Middle School Course Book Buying Guide

Ordering books need not be a daunting task! All information necessary to purchase required textbooks and literature books for Lighthouse Preparatory Academy classes is provided in this Course Book Buying Guide. Please read the following tips regarding buying books for Lighthouse.

- 1. VENDORS:** There are a variety of places from which to purchase materials. A couple of options are Amazon and <https://www.gettextbooks.com/>. Lighthouse does not endorse any vendor and encourages you to be knowledgeable about each supplier's backorder policy, shipping rates, and return policy.
- 2. CONDITIONS OF BOOKS:** It is important to make sure the books ordered are clean copies in good condition. Literature books in particular need to be clean copies with no highlighting, writing, or underlining.
- 3. BOOKS INCLUDED IN CLASS FEES:** In some cases, we can buy the students' books cheaper since we order in bulk. We have noted when the class fee will cover the books, so you do not need to purchase those books on your own.
- 4. BOOKS IN LIGHTHOUSE LIBRARY:** We have also listed the books that we have copies for students to borrow. Students can check those out at the time needed in the class.
- 5. ISBN:** It is important to make sure the correct edition and title is purchased. ISBN listings are provided, as much as possible, for both the older (pre-2007) format (10 digits) and the newer (2007+) format (13 digits).
- 6. SPECIAL NOTES:** Please check at the beginning of each section (Mathematics, Social Studies, etc.) for any specific notes regarding curriculum. Courses with a "Teacher Designated Materials" notation are for classes where a teacher is given the flexibility to select materials (with Board and/or Administrative approval). The information necessary to purchase the required materials will be provided with sufficient time to purchase the items. Courses with a "Teacher Supplied Materials" notation do not require purchasing of books or materials.
