9:30-10:55 T/Th	ACT Prep (1st semester)	World History through Film (2nd semester) 8:00-11:00 am, Thursdays only	

LEAP – Students who want to get the .5 credit for LEAP activities next year will need to enroll in the "class" in Sycamore and pay a fee of \$150. The fee covers the cost of all of the LEAP activities and campout for the year. Please note that the end-of-the-year trip is not a LEAP activity and is not included in the fee. Other students who do not wish to earn the credit that year can still sign up and pay for individual activities and campout. At the end of the year, students wishing to receive the LEAP credit must turn in the required paperwork.

Semester Intensive – One year of material is covered in one semester. One credit is earned for the semester long course.

Dual Enrollment – Student enrolls in the course through Lighthouse. Enrollment in the college course is also required, and additional fees will be due to the college. The college course is led and graded by the college professor. The Lighthouse teacher prepares the students for the college course and acts as a tutor during the college course. Student earns college credit and high school credit.

Dual Credit – Student enrolls in the course through Lighthouse. The course is taught and graded by a Lighthouse teacher. Student earns high school credit and may choose to receive college credit also. If a student chooses to receive college credit, there will be additional fees due to the college.

CLEP – On their own, students can take the optional CLEP test at the end of various courses. Some colleges will award credit for qualifying scores.

Equip – Equip is required for all students who are planning to graduate from Lighthouse and is an important part of the Lighthouse central classroom days. Mondays will include a combination of chapel, small groups, and worship. On Wednesdays students will participate in a club of their choosing. Fridays will be homeroom time for grade levels to do a variety of activities as a group.

Eligibility for High School Athletics – As we are now a part of MCSAA (Missouri Christian Schools Athletics Association), there may be eligibility requirements for some of our high school sports. Please see the handbook for eligibility criteria or contact the Athletic Director at lpaeagles@lpajc.com.
