

Application for Transfer of Music Credit

Music offers another performance outlet for our instrumental and vocal students. The program is comprised of several components. Performances may include vocal ensembles, orchestra ensembles or band ensembles.

- A music elective credit will be awarded equivalent to 1/2 credit for 85 hours or more participation in Lighthouse Preparatory Academy high school musical activities such as choir, orchestra and/or band. The number of activities required is dependent upon the total hours of participation, therefore you may not need to complete three activities. This course does not fulfill the Fine Arts requirement needed for graduation and is counted as an elective.
- In order to qualify for the music credit, students must abide by the rules and expectations set forth by the Fine Arts Director and/or teacher.
- Although Lighthouse Preparatory Academy may accept this course for diploma credit, the Academy is not in a position to validate this course for any other educational institution.
- All requests will be reviewed according to the guidelines set forth by the Academic Dean and Committee.
- If this course is accepted, it will appear on the student's transcript. The grade for the fine arts credit will show as a P for pass.
- **No fee for Music Credit.**
